WELCOME TO CAMPSIE VIEW

Situated in Kirkintilloch, just outside of the city of Glasgow, Campsie View Care Home offers Nursing, Nursing Dementia, Respite and Palliative Care for residents in a welcoming environment.

Our caring team provide comprehensive, compassionate and dedicated care, 24 hours a day. All individual care needs and provisions are provided through personalised care planning and collaboration with residents and their families.

We are passionate about supporting residents to live each day to the full. Our varied activities programme is key to this, with residents enjoying many activities both inside and out of the home. As we are located in the aptly-named "Canal Capital of Scotland", canal cruises with the Seagull Trust are high on our list of enjoyable excursions! Residents are encouraged to pursue hobbies, old and new, which our team are always happy to facilitate.

A WARM WELCOME AWAITS

Whether spending time in our Cinema Room, enjoying time in the Hair Salon, or relaxing with some home baking in our comfortable lounge areas, there is always lots going on at Campsie View.

Each of our en-suite bedrooms are cheerfully decorated, with the opportunity for residents to personalise their room with home comforts as desired.

A true home from home for our residents and their families, we would be delighted to welcome you to Campsie View.
