ACTIVITIES, NEWS & EVENTS

Halloween Celebrations

We had an absolutely fantastic time at our Halloween party this year! The atmosphere was filled with music and plenty of spooky fun. The children from Garconner Nursery joined us and had a wonderful time, their excitement was infectious and brought so much joy to everyone. There was lots of dancing throughout the day, and Duncan kept the party going with great music and energy. It was a truly amazing and memorable day for residents, visitors, and our youngest guests alike.

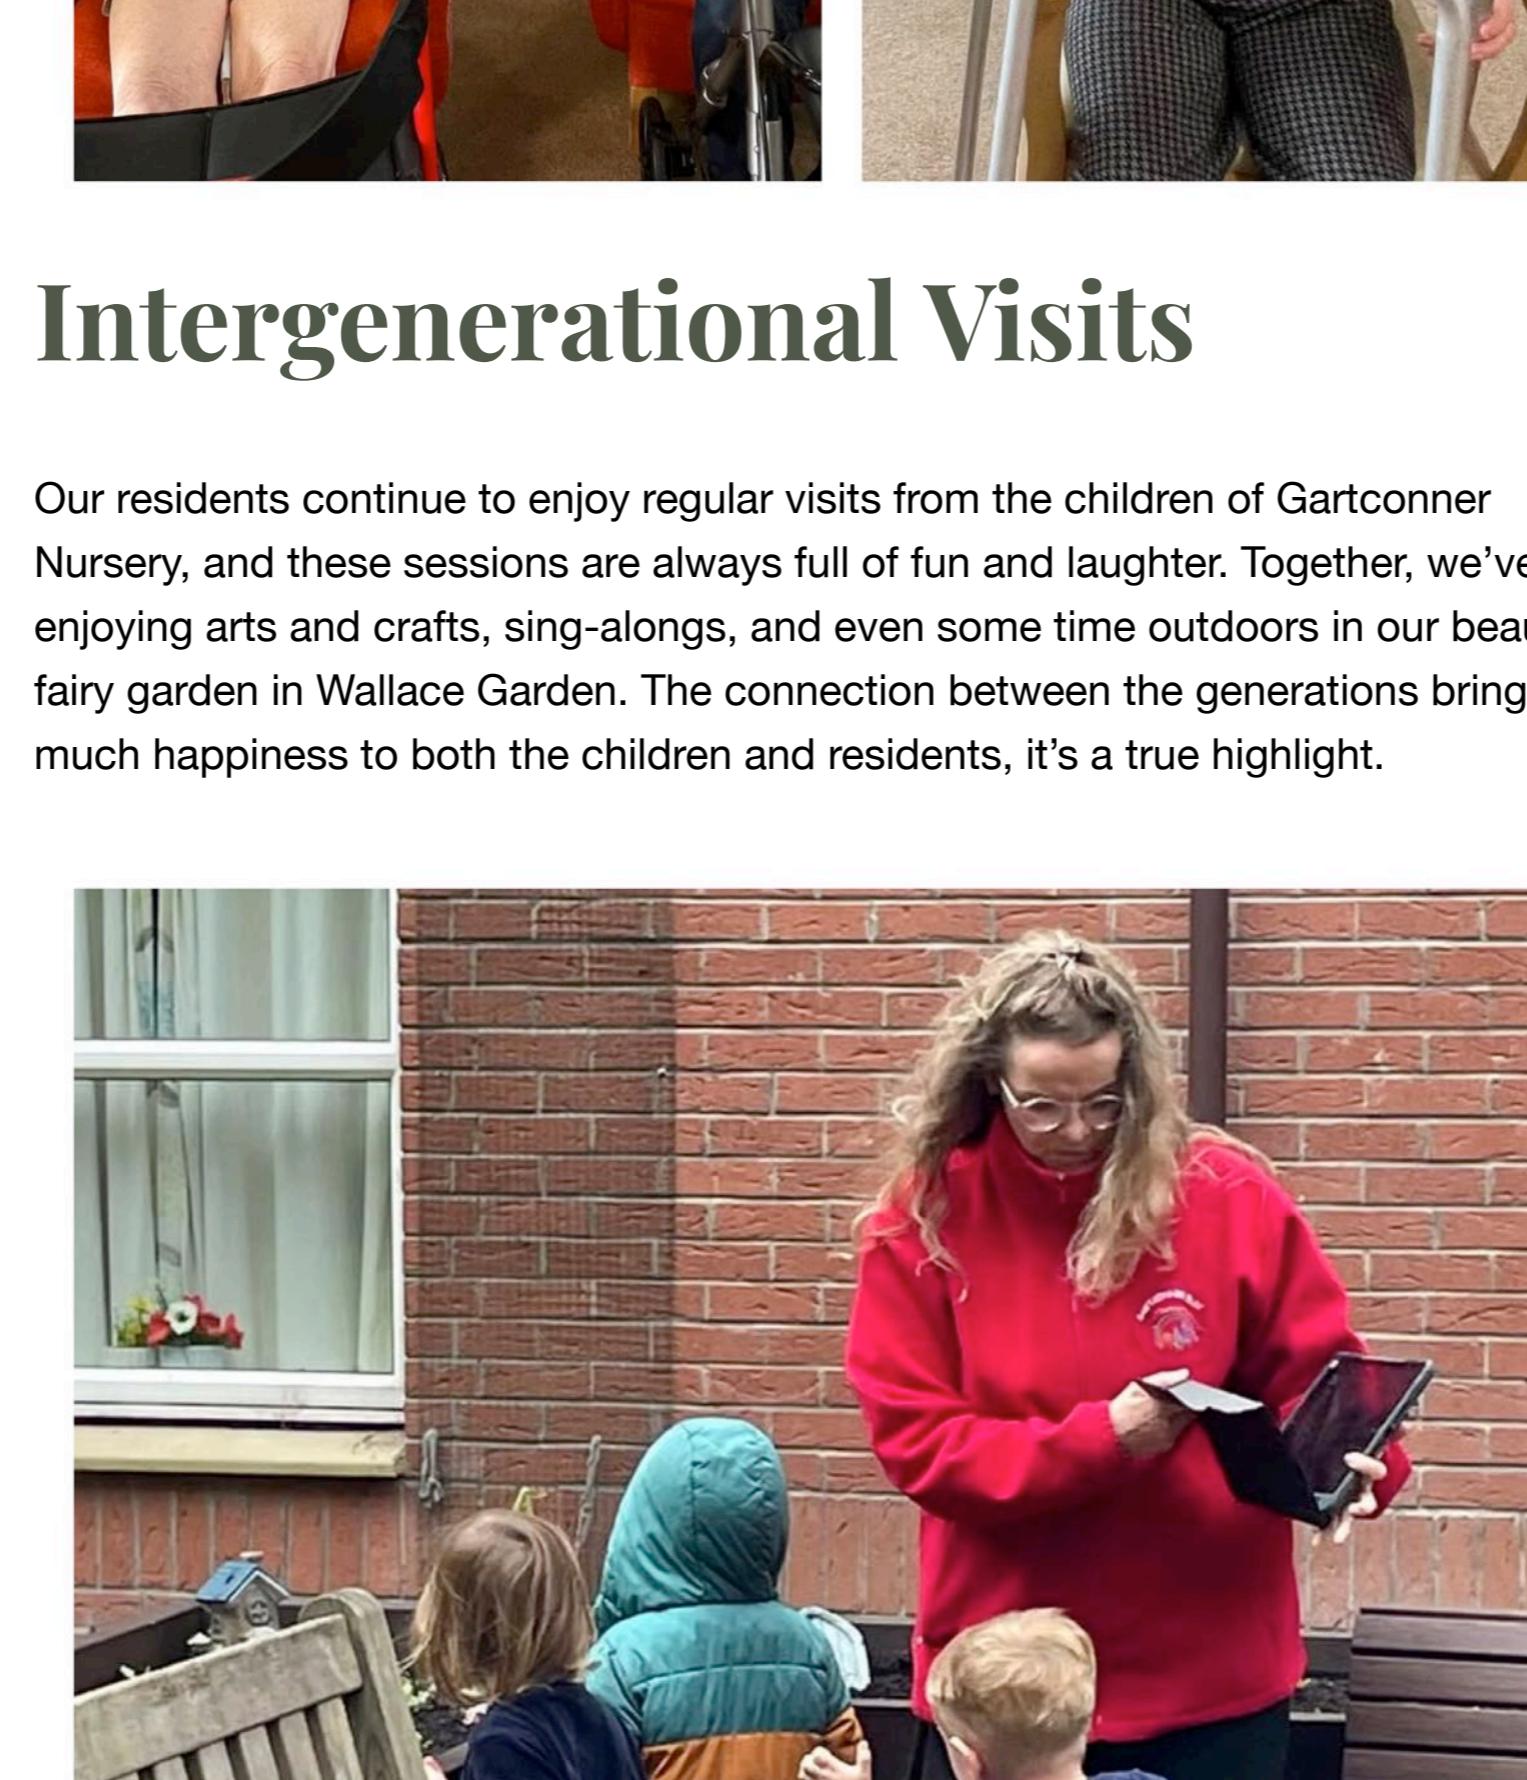

Friendship

Meet Margaret and Pat, two residents who are a shining example of the wonderful friendships that can blossom within our home. Since meeting here, they have become the best of friends, sharing countless moments and activities together. Whether it's flower arranging, visiting the salon, or enjoying parties and events, they're inseparable. Their bond is truly heartwarming and shows that moving into a care setting can be the beginning of new and meaningful friendships.

The Caring Barber

We had another fabulous visit from Kevin, The Caring Barber. His visits are always something our gentlemen look forward to, not just for the fresh haircut but for the great company and entertainment that comes along with it. There's always singing, laughter, and good conversation and everyone leaves looking sharp and smiling from ear to ear. Kevin has a special way of brightening the day for all.

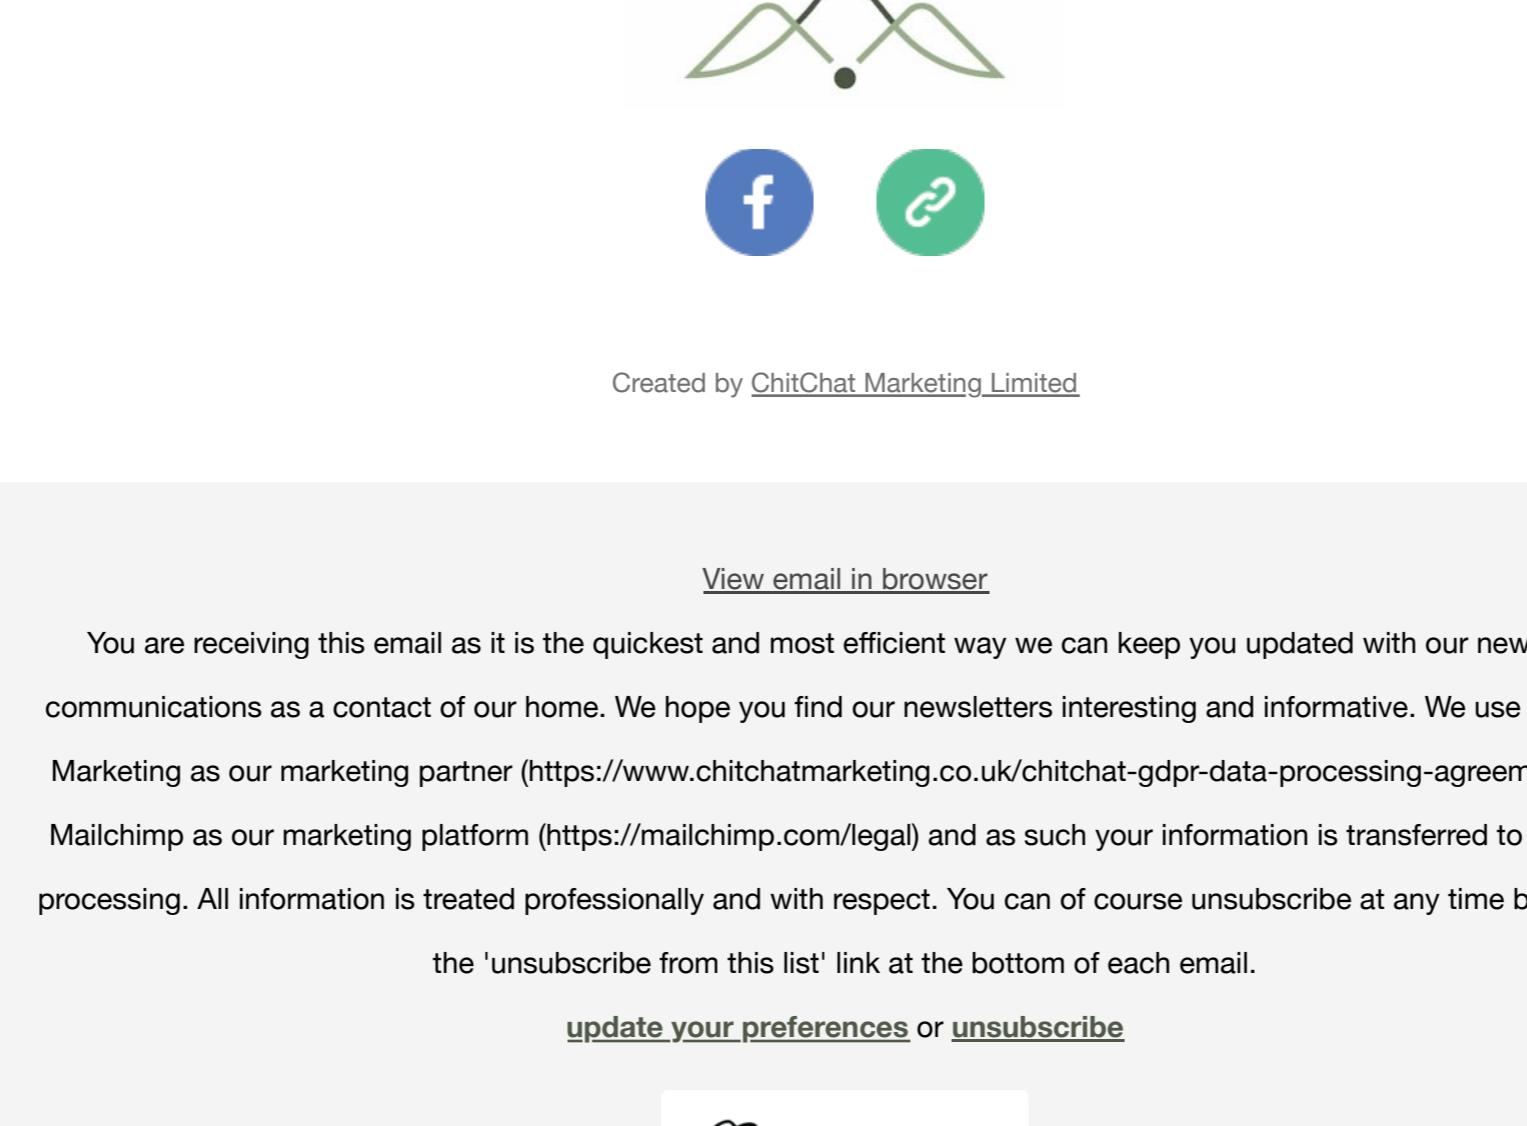

Bunny & Co Petting Zoo

We were delighted to welcome back Bunny & Co Petting Zoo for another wonderful visit. Residents had the opportunity to enjoy hands-on time with a variety of small, fury, and feathered friends. The animals always bring a sense of calm and joy, sparking fond memories and happy smiles. This time we were also introduced to a new little addition, Minnie the tortoise, who was an instant favourite! It was a lovely day filled with gentle moments and plenty of affection for our animal visitors.

The Solas Collective

Music filled the home once again when The Solas Collective came to perform for us. Their performance was fantastic and loved by all. Residents sang along, clapped to the beat, and even made a few song requests that the group happily played. It was a relaxed and uplifting afternoon that everyone thoroughly enjoyed.

The Happy Songsters

We also had a wonderful visit from The Happy Songsters, whose lively performance had everyone joining in with smiles and singing voices. Their cheerful tunes created a warm and joyful atmosphere, and it was lovely to see residents tapping their feet and singing along together.

Intergenerational Visits

Our residents continue to enjoy regular visits from the children of Garconner Nursery, and these sessions are always full of fun and laughter. Together, we've been enjoying arts and crafts, garden sing-alongs, and even some time outdoors in our beautiful garden.

Refreshments

We're pleased to share that a new tea and coffee station has been set up in the foyer area for visitors to enjoy. Guests are welcome to help themselves to a hot drink or a cup of tea. If you need any assistance, please don't hesitate to ask a member of staff. We hope this small addition will make everyone feel even more at home.
