## Message From Our Manager

It has been another busy and enjoyable period here at Campsie View, with a variety of activities and events bringing residents and staff together.

There has been a great sense of involvement across the home, with residents taking part in everything from entertainment and creative sessions to quieter, more relaxing activities. These shared moments continue to make a positive difference to daily life.

I would like to thank our staff team for their continued hard work and enthusiasm, as well as our families and visitors for their ongoing support.

ACTIVITIES, NEWS & EVENTS

## Live Entertainment

We recently enjoyed a lively afternoon of entertainment, with Lisa joining us as our singer for the day. She created a fantastic atmosphere from the start and quickly had everyone engaged.

There were moments where the whole room was singing along, with a real mix of emotions and memories brought to life through the music. It was a thoroughly enjoyable session, and one that will be remembered for a long time. Our staff also played their part in making the day such a success.

## Keep Fit

Our regular keep fit sessions with Emma continue to be very popular. Each month brings something a little different, and this time we enjoyed a "Strictly"-style dance class with a country theme.

There was plenty of movement and laughter throughout, with residents and staff alike getting involved. It is always a great way to stay active while having fun in a relaxed and supportive setting.

## Delicious Treats

Residents always enjoy spending time in the kitchen, and our baking sessions have been as popular as ever.

From making chocolate crispy cakes to filling meringue nests, there is something for everyone to get involved in. These sessions are not only about the end result, but also about the enjoyment of working together and sharing the finished treats afterwards.

## Hairdresser

Tuesdays are always looked forward to, as it means a visit from our hairdresser, Rachel.

She takes the time to get to know each resident and understands exactly how they like their hair styled. Residents leave the salon feeling refreshed, well cared for and with a smile on their face. It is a valued part of the weekly routine.

## Art Group

Our art group has started very positively and continues to grow in popularity. Residents enjoy the opportunity to take part in a calm and creative activity.

The space used for the sessions offers a lovely view towards the Campsie Hills, adding to the relaxed atmosphere. The artwork produced has been impressive, with each piece reflecting the creativity and individuality of those taking part.

## Easter Celebrations

Easter was marked with a delicious lunch, enjoyed by residents before a special visit from the Easter Bunny, which we would like to thank Morrisons Bishopbriggs for their kind donation of Easter eggs, which were greatly appreciated.

We also held an Easter egg hunt within the home for visiting children, which brought plenty of excitement. There was lots of fun searching for hidden eggs, especially the golden one.

It was a lovely way to bring everyone together.

## Pamper Day

Pamper days continue to be a favourite here at Campsie View. Residents enjoy a relaxing session with eye masks, face masks, manicures and a foot spa. Soft music plays in the background, creating a calm and comfortable environment. It is a chance for residents to unwind, feel looked after and enjoy a bit of time for themselves.

UPCOMING PLANS

## Looking Ahead

As we move into the coming months, we look forward to continuing our varied programme of activities and making the most of the brighter days ahead.

We will continue to offer a balance of social, creative and relaxing opportunities, ensuring there is something for everyone to enjoy.
