ACTIVITIES, NEWS & EVENTS

Making the Most of the Sunshine

We've been making the most of the recent warm weather by spending time outdoors in our gardens whenever possible.

Residents and staff have enjoyed relaxing together in the sunshine while making sure everyone stayed cool with plenty of refreshing cold drinks, ice creams and iced lollies. It has been lovely to see everyone enjoying the fresh air, chatting together and making the most of the beautiful summer days.

Keeping Active with CAPA

We were delighted to welcome the CAPA (Care About Physical Activity) team to Campsie View for a fantastic morning of fun and exercise.

The team brought along a variety of equipment and encouraged everyone to get involved in activities designed to keep us moving in ways that suited each individual. There was plenty of laughter throughout the session as residents enjoyed taking part together, proving that staying active can be both enjoyable and beneficial.

Sessions like these help promote mobility, confidence and wellbeing while giving everyone the opportunity to have fun and socialise at the same time.

Home Baking Together

Our regular home baking sessions continue to be a firm favourite with residents.

This time, everyone worked together to make delicious cornflake cakes and Rice Krispie cakes, with one of our residents' family members joining in the fun too. From mixing the ingredients to decorating the finished treats, there was plenty of teamwork, conversation and laughter throughout the activity.

The best part, of course, was enjoying the homemade cakes together afterwards with a well-earned cup of tea.

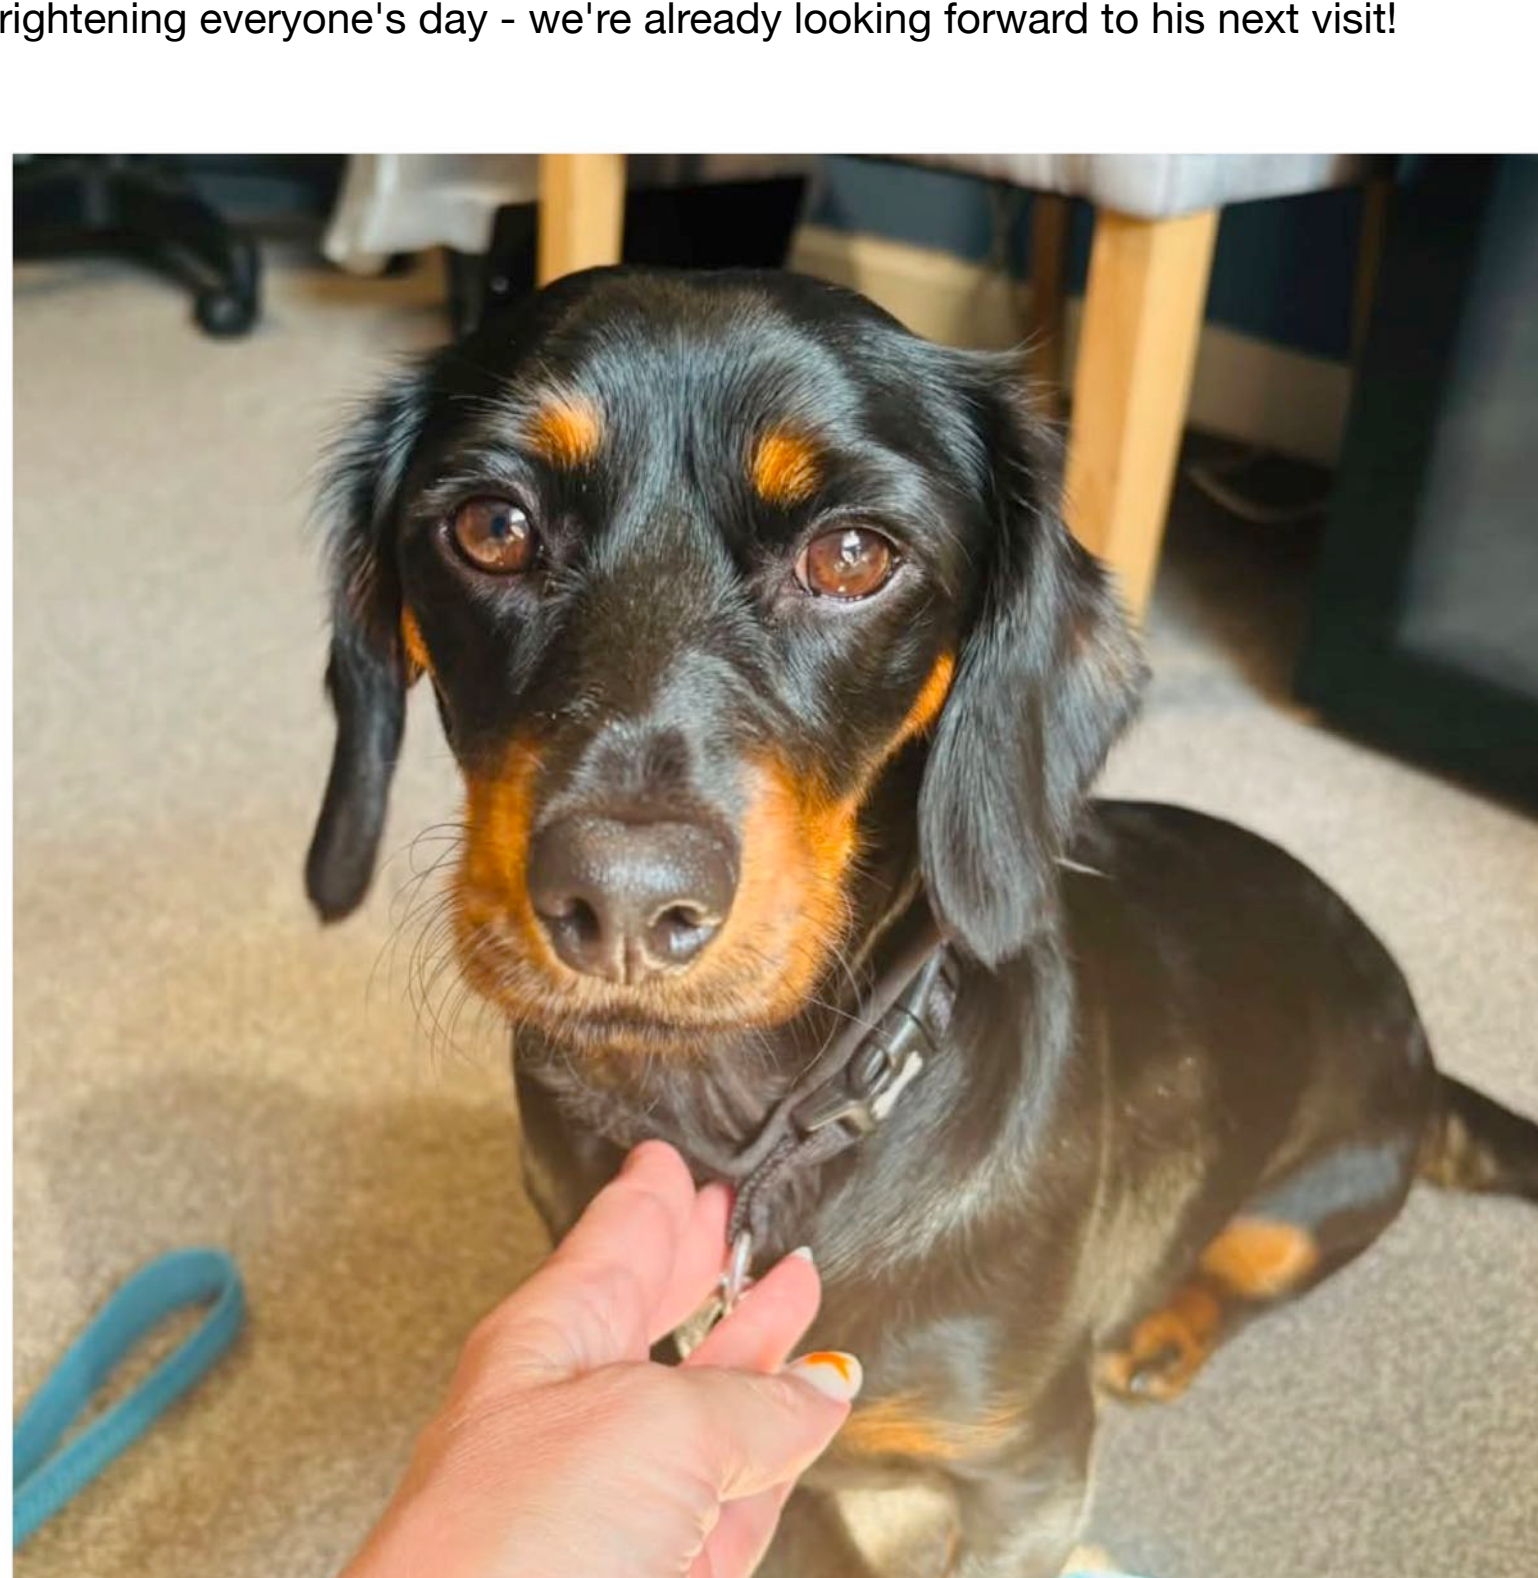

A Visit from Baxter

One of the highlights of the season was a visit from Baxter, an adorable puppy!

Residents thoroughly enjoyed spending time with Baxter, who happily accepted plenty of cuddles and attention while bringing smiles wherever he went.

A big thank you to one of our staff members for bringing Baxter in and for brightening everyone's day - we're already looking forward to his next visit!

NEWS & UPDATES

A Fresh New Look

Visitors may have noticed that our reception area has recently been given a fresh new look.

The refurbishment has created a brighter and more welcoming entrance to the home, and we hope everyone enjoys the updated surroundings when they visit. We are delighted with the transformation and look forward to welcoming residents, families and friends into the refreshed space.

Supporting Eye Care

We were pleased to welcome the team from Connect Eye Care, who visited the home to support our residents with their eye care needs.

Residents were able to discuss any concerns they had and browse a fantastic selection of spectacles to help them find frames that suited both their needs and personal style. Visits like these make accessing important healthcare services convenient while ensuring residents receive the support they need in familiar surroundings.

UPCOMING PLANS

Looking Ahead...

As we continue through the summer, we are looking forward to many more activities, entertainment sessions and opportunities to spend time together both in the home and out in the garden. We look forward to creating many more happy memories with our residents, families and friends over the coming months.

Thank you for your continued support of Campsie View Care Home.
