CAMPSIE VIEW
CARE HOME

INTRODUCTION

Message From Our Manager

It has been a busy and enjoyable few weeks at Campsie View, with residents taking part in a variety of activities both at home and out in the community. Our Halloween celebrations brought plenty of laughter, while a peaceful trip along the canal with The Seagull Trust gave residents the chance to enjoy some time outdoors.

We are also delighted to share the completion of The Haven, our new relaxation and therapy room, which the Activities Team have worked hard to create. Alongside this, members of our team have been developing new skills to support residents' wellbeing. We hope you enjoy reading about what we have been up to.

ACTIVITIES & EVENTS

Halloween Celebrations

We had a great week celebrating Halloween at Campsie View, starting with a party that brought residents together for an afternoon of entertainment and fun. Lisa provided fantastic entertainment and helped everyone get into the Halloween spirit, with plenty of smiles and laughter throughout the celebrations.

We finished the party with a traditional game of dookin' for apples, which proved to be particularly entertaining. One of our ladies even managed to catch two apples at once, much to everyone's amusement! It was lovely to see this familiar Halloween tradition being enjoyed, and it certainly gave us something to laugh about afterwards. Thank you to Lisa and everyone who helped make our celebrations such a success.

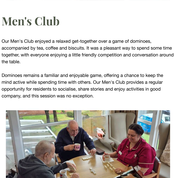

Canal Trip with The Seagull Trust

Residents enjoyed a relaxing outing aboard one of The Seagull Trust's barges, taking a gentle trip along the canal. It was a lovely opportunity to enjoy a change of scenery and spend some time watching the world go by from the water.

The calm surroundings made for a very pleasant journey, with everyone enjoying the views and keeping an eye out for wildlife along the way. We were particularly pleased to spot two herons during the trip, with one even making an appearance in our photographs. It was a nice surprise and gave everyone something to look out for as we travelled along the canal.

The outing was a welcome chance to enjoy some fresh air, good company and the peaceful atmosphere of the water. Everyone had a great day, and we would like to thank The Seagull Trust for making the experience possible.

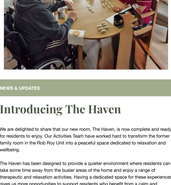

Men's Club

Our Men's Club enjoyed a relaxed get-together over a game of dominoes, accompanied by tea, coffee and biscuits. It was a pleasant way to spend some time together, with everyone enjoying a little friendly competition and conversation around the table.

Dominoes remains a familiar and enjoyable game, offering a chance to keep the mind active while spending time with others. Our Men's Club provides a regular opportunity for residents to socialise, share stories and enjoy activities in good company, and this session was no exception.

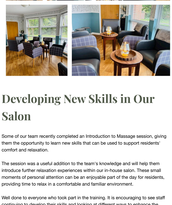

NEWS & UPDATES

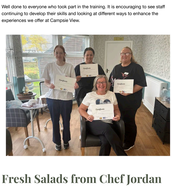

Introducing The Haven

We are delighted to share that our new room, The Haven, is now complete and ready for residents to enjoy. Our Activities Team have worked hard to transform the former family room in the Rob Roy Unit into a peaceful space dedicated to relaxation and wellbeing.

The Haven has been designed to provide a quieter environment where residents can take some time away from the busier areas of the home and enjoy a range of therapeutic and relaxation activities. Having a dedicated space for these experiences gives us more opportunities to support residents who benefit from a calm and comfortable setting.

A big well done to our Activities Team for all their hard work in bringing the room together. We are pleased to have this new addition to Campsie View and look forward to seeing residents make good use of it.

Developing New Skills in Our Salon

Some of our team recently completed an Introduction to Massage session, giving them the opportunity to learn new skills that can be used to support residents' comfort and relaxation.

The session was a useful addition to the team's knowledge and will help them introduce further relaxation experiences within our in-house salon. These small moments of personal attention can be an enjoyable part of the day for residents, providing time to relax in a comfortable and familiar environment.

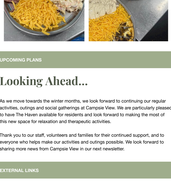

Well done to everyone who took part in the training. It is encouraging to see staff continuing to develop their skills and looking at different ways to enhance the experiences we offer at Campsie View.

Fresh Salads from Chef Jordan

Our chef, Jordan, has once again been preparing some beautifully presented salads for residents to enjoy. Fresh, colourful and appetising, they are a welcome addition to the meals served at Campsie View.

We appreciate the care Jordan puts into preparing and presenting his dishes, helping to make mealtimes an enjoyable part of the day. A big thank you to Jordan for his continued hard work in the kitchen and for the delicious salads he creates for our residents.

UPCOMING PLANS

Looking Ahead...

As we move towards the winter months, we look forward to continuing our regular activities, outings and social gatherings at Campsie View. We are particularly pleased to have The Haven available for residents and look forward to making the most of this new space for relaxation and therapeutic activities.

Thank you to our staff, volunteers and families for their continued support, and to everyone who helps make our activities and outings possible. We look forward to sharing more news from Campsie View in our next newsletter.
